

GIAROLA AMARONE DELLA VALPOLICELLA VALPOLICELLA DOCG

ABOUT THIS WINE

Amarone della Valpolicella is a rich red wine with intense purple-red color. Produced in the Valpolicella region, it undergoes a unique vinification process with natural over-ripening. The winery's history is rooted in traditional winemaking techniques, resulting in an elegant and velvety wine with complex flavors.

TASTING NOTES

Elegant wine with ripe red berries, spiciness, chocolate, and pepper notes.

VINIFICATION

Grapes undergo natural over-ripening before soft pressing and red vinification with submerged cap. Slow fermentation and 36 months aging result in a harmonious and velvety full-body wine.
